**PK STEEL DESIGNS ANNOUNCES THEY WILL DISCONTINUE IN-HOUSE  
FABRICATION AND FOCUS MORE ON FURNITURE DESIGN-**

The Custom Steel Furniture Company will Continue to Offer Their Design Services to Both Residential and Commercial Customers.

Belton, Mo., - January 30, 2007- PK Steel Designs, LLC, a custom steel furnishings company, will begin outsourcing all metal fabricating beginning March 5, 2007. The company will outsource all fabricating to a local custom metal manufacturer. Due to the outsourcing of fabrication, there will be a slight increase in pricing on future sales.

PK Steel will continue to offer custom design services to both residential and commercial markets. The firm will accept all orders for in-house fabrication up until February 15, 2007. Further, all in-stock items will remain available for purchase.

For additional information contact Charles Brown at (913) 522-1474, Jakob Goldman at (913) 708-2516 or visit [www.pksteelfurniture.com](http://www.pksteelfurniture.com).

PK Steel Designs was founded in April of 2005. They specialize in original and custom designed steel furnishings. Charles Brown and Jakob Goldman, both lifelong residents of the Kansas City area, own the company in partnership.
